

FICHA TÉCNICA

# 4 Drum WorkStation, Yellow SKU# 5116-YE

Workstations are low-profile spill pallets that allow you to customize a contained workspace for any situation. All models feature removable grates for easy access to the sump, and the plastic design will not rust or corrode. Save space and stay compliant with these top sellers.

- Forkliftable
- Won't rust or corrode
- Holds four 55-gallon drums for drip and leak protection
- Provides EPA compliant containment for 20-gallon drums and smaller
- Low profile design stays out of the way
- Connect units together with U-channel connection
