

ARC FLASH HELMET WITH INTEGRATED FACE SHIELD MO-180-ARC20-EXP-HTG

Product
patented
by CATU

ATPV 20 cal/cm²

FIELD OF USE:

Product dedicated to markets outside Europe.

Safety industrial helmet with ARC FLASH integrated face shield.

Shockproof for the head, insulating protection of the shell (20 kV) and eyes and face protection against electrical arc thermal effect 20 cal/cm².

Better color recognition thanks to the grey visor.

FEATURES

- Shell: Deformable helmet in case of shock combined with an insulating protection 20 000 V.
 - Tested under 20 000 V AC according to ANSI Z89.1
 - Certified CSA Z94.1-05
 - High density ABS helmet ANSI Z89.1 Type 1 Class E.
 - 4 fixation points to leave place for ears
 - 6 points textile head base to ensure a precise adjustment for a perfect fit.
 - Adjustable size from 52 to 64 cm.
 - Color: white.
- Face shield: Retractable face shield with protection against metal projections, UV protection, and electrical arc protection.
 - ASTM F2178: ATPV 20 cal/cm².
 - Totally retractable inside the helmet.
 - Textile chin-strap with clips for neck protection against thermal effect of an arc flash.
 - Color: grey for a better color recognition.

Edition : 11/2021 - Fiche technique N° : MO-180-ARC20-EXP
